The guns observed on 5 June may have been 57-mm AT guns.

25X1

1. Comment. Shipments for the exchange of large fuel containers. The fuel depot of the Fourth Gds Mecz Army received these containers from Riesa and forwarded them to the GSG depot at Altstrelitz and Vogelsang airfield.
2. Comment. This outgoing gun shipment indicates the dispatch of A1 guns, possibly to units. Camp Biesenthal received a shipment of 33 flatcars with A1 guns on 2 June.
